Highlights

Classic design. Easy to tune

This analog FM/MW radio looks great in almost any room. A large traditional-style tuning window makes it easy to see when you have reached the desired frequency. Simply turn the side-mounted tuning wheel to slide the indicator along the scale.

Tone control

Make the most of your music with Music mode. Switch to News mode when you're listening to the news, or your favorite radio soap or panel show. Whatever you love, a 3.5" speaker ensures good clear sound.

Simple controls

You'll never need to search for the volume control on this radio! In addition to the large volume dial, the radio boasts top-mounted switches for switching between FM/MW signals and sound modes. You'll also find a headphone port for private listening.

Place it anywhere

Wherever you love to listen, this radio can come with you. Plug the radio into a wall outlet, or insert two D batteries and go outside. It's the perfect companion for a glass of wine on the balcony, or a picnic in the backyard.
